ADVERTISEMENT NOTICE

Applications on the prescribed format are invited for one (01) position of Project fellow in a time bound research project entitled “*Proteomic studies of Ashwagandha for Identification and Characterization of its anti-cancerous protein(s)/peptide(s): Towards Exploration of novel protein-based drug molecules*” sanctioned by J&K Science Technology and Innovation Council, DST, Govt. of Jammu and Kashmir, New Delhi. The last date for submission of application form is 15-02-2024 up to 4:30 pm.

Essential qualifications: M.Sc. Clinical Biochemistry/Biochemistry, not less than 55% marks in the qualifying Examination. Candidates with previous experience in Cloning, Expression and purification of proteins shall be preferred.

Emoluments: As per the guidelines of the funding agency.

Terms and conditions

1. Initially for a period of one year with the provision of further continuation (till duration of the project) subject to satisfactory performance of the fellow.
2. The candidates should bring the xerox copies of the relevant certificates indicating qualification, experience (if any), age and percentage of marks along with the filled application form in the office of the Department of Clinical Biochemistry, University of Kashmir.
3. The decision of the competent authority regarding selection of the candidate will be final and no representations will be entertained in this regard.
4. The shortlisted candidates will be intimated for interview date through the email ID or phone Nos. provided by them.
5. Age limits as per the rules of the University of Kashmir and/or funding agency (wherever applicable).
