A scenic view of a university campus. In the foreground, a large, well-maintained green lawn is visible. Several manicured, conical evergreen shrubs are spaced across the lawn. In the middle ground, a long, multi-story building with a dark roof and many windows is visible. To the right of this building, a taller, white, modern building with a distinctive tower-like structure on top stands out. The background is dominated by a range of large, rugged mountains under a clear blue sky. The scene is framed by pine branches in the top left and right corners. The text "Thank you" is overlaid in a large, yellow, serif font across the lower half of the image.

Thank you
